

# city of STEM

## science festival

# APRIL 6-11

Sponsored by **AEROJET**  
**ROCKETDYNE**

Celebrate science, technology, engineering and math with fun events for kids and adults all week long! For a detailed schedule of the week's activities, go to [columbiaspace.org](http://columbiaspace.org)

**VISIT THE SPACE CENTER  
FOR FREE ALL WEEK LONG!**

**MONDAY, APRIL 6**

**AEROSPACE HISTORY HONORARY LUNCHEON**

@ Barbara J. Riley Center - 11:30am-1pm

Celebrate the achievements of Downey's aerospace history with a special lunch for the retirees who made it happen!

**TUESDAY, APRIL 7**

**PUB SCIENCE** @ Downey Brewing Company - 7-9pm  
Adults! Join "Star Trek" science advisor Andre Bormanis in a relaxed conversation about what's up in science! Trivia games and other specials will be offered. **FOR ADULTS 21 AND OLDER.**

**WEDNESDAY, APRIL 8**

**COSMIC CAR CLASSIC**

@ Bob's Big Boy Broiler - 6-9pm

Check out cars of the Space Age and the Future with cool demos and fun activities for the whole family!

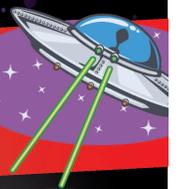

**THURSDAY, APRIL 9**

**GIRLS IN STEM** @ Downey Library - 5pm - 7:30pm  
Professional women in science will connect with local girls to promote STEM careers while those young women demonstrate their latest science projects to the public.

**FRIDAY, APRIL 10**

**SCI-FI MOVIE INVASION**

@ Columbia Memorial Space Center - starts at 7pm  
Bring the family to enjoy a sci-fi movie and hear from a scientist about what's real and what's pretend science in the film. Bring your blankets and lawn chairs.

# JOIN US FOR THE BIG SCIENCE FEST

**SATURDAY, APRIL 11,**  
**AT THE SPACE CENTER**  
Vendors, Food and Out of this World Fun!

The entire community is invited to come out and celebrate STEM with some awesome activities, presentations, rocket launches, food trucks and live music - for FREE!

\*If needed, a shuttle will be available to take you from Downtown Downey to the Space Center.
